Hate Crime in Selby District

During the week of October 12th to 18th the local police are organising a series of events and stands in and around Selby, raising awareness of hate crime in Selby District.

Hate crimes can take many

forms such as race, sexual orientation, religion, age, disability, gender, marriage and pregnancy. It is the intention of the local services, i.e. police and council to raise it's awareness so that such issues are brought to the attention of the authorities.

Helping your neighbour

■ **Loneliness is becoming a real issue for some in our community. Isolation due to lifestyle changes or loss of family relatives is an increasing problem.**

Do you live next to someone elderly who appears not to get out and about often, doesn't have visitors or is possibly vulnerable? Why not give them your contact details, just for emergencies?

Please fill in the box on the back of this small poster below and post or call and see them with it.

Litter Pick

■ **Do you know somewhere that would benefit from a litter pick?**

Let us know, using our contact details on the back and we will do our best to organise a team to come and help.

Below is a window poster for all those that have no desire to be called upon after dark. Simply cut out and stick in your window.

**NO TRICK
OR TREAT
HERE**

Thank you!
